The "Legacy of Service" will be collected from the previous 2013-2014 District Committee. 213	6/4/2017	Book of Motions	The PI/CPC Committee would like approval of funds not to exceed \$1900 in order to run Public Service Announcements at a local movie theater. <b>Background:</b> Details: The PSA would run 3,136 times for an 8 week schedule which covers 2 weeks during each holiday - 4th of July (June 23-July 6); Labor Day (August 25-September 7); Thanksgiving (November 10-November 23) and Christmas/News Years (December 21-January 4) at the University Mall aka Studio Movie Grill across from USF. Our Central Office Manager, Tim, has agreed to track all new inquiries asking how the party heard of AA. This will assist us in knowing if we are getting responses to our PSA.Selection of the Movie Theater: Location was selected in an effort to reach out to a more diverse population due to: 1. The African American member's statement at the AA SE Forum in December at Orlando, that the African American community believes that AA is for Caucasians 2. The latest GSO 2014 Membership Survey reports the composition of membership is 89% White; 3% Hispanic and 4% Black, which is disproportionate to our overall population 3. University of South is across the street so the student population will also be targeted 4. Cost of this location is lower than other areas of Tampa Purpose: Our outreach is to increase public awareness of what AA is and how to contact us locally. This is part of our overall effort to carry AA's message to those who suffer from alcoholism and its consequences. See the Public Information Workbook page 23-24. (05/20/17) Literature Committee would like to increase the 2017 Committee Budget from \$100 to \$260 in order to 1) acquire literature for the Spanish Display and 2) pay \$60 per year for rent to store the display. 3. (12/02/07) Increase PI/CPC's budget to \$400 4. (10/20/16) Special Needs needed a \$60.00 increase above budget to pay for a hearing aid. 5. (03/20/16) Special Needs request to increase our budget by \$50.00 for 2016. 6. (02/07/10) The yearly budget of the Special Needs committee is not to exceed \$500. Current Practices Chair, Sylvia L. <b>Background:</b> As a result of review by Current Practice, Finance, and committee chairs, removal is recommended. 1. This item was not included in the budget in the past 2 years and is not in the approved 2018 budget. Committee recommends removal from Current Practice as no longer valid. 2. The amended motion did pass on 5-7-17. For some reason it was not included on the approved 2018 budget. There was must have been further discussion or the money was not being spent. I assume the Literature Chair would have requested a correction to the submitted 2018 budget if he had a need. Committee recommends removal from Current Practice as no longer valid. 3. PI/CPC's 2018 budget is \$1000 – due to requested and approved increases. Committee recommends removal from Current Practice as no longer valid. 4. This would have been a one-time expenditure and not a budget increase. 5. Accessibilities had a current budget of \$260 – this was the approved amount for 2018. Failure to comply will result in the recording secretary making those DCM's not giving a report as absent from the meeting.</p> <p>(09/08/96) Be it resolved that all DCMs give a brief report at each monthly district meeting. Failure to comply will result in the recording secretary making those DCM"s not giving a report as absent from the meeting. Respectfully Submitted by Panel 69 Registrar Jimmy S.</p> <p><b>Background:</b> This motion is referring to verbal reports at the monthly District 2 business meeting. The District 2 Chairperson may need to waive verbal DCM reports at the monthly district meeting so that more time can be allotted to other business. Reports can still be submitted for the monthly minutes. There is no "failure to comply" consequence for any other District 2 member besides the DCM.</p> <p>There is a motion in the Book of Current Practices in place for attendance:  (01/95) Motion that if a committee chairperson, officer, DCM, ACM misses 2 consecutive District meetings without calling in, or 2 consecutive Quarterly meetings, their position will be open for general election. This is at the discretion of the chairperson.</p>	Passed

A scrubbed copy of the Contact List would then only be sent via email by request of an AA member. Respectfully Submitted by Panel 69 Registrar Jimmy S.</p> <p><b>Background:</b> The District 2 Registrar Procedure already states that the Registrar provides lists of District Officers, Committee Chairs, DCM/ACM and GSRs as needed.</p> <p>A required paper copy is an unnecessary expense.</p>	Passed

Procedure: · Attends the monthly business meeting of District 2, takes roll call, and provides a monthly report as well as collects new information on the groups and contacts thereof. · Assists General Service Representatives (GSRs) and District Committee Members (DCMs) in updating information and communicates the information to the Area Registrar to inform GSO. · Attends the Quarterly Area Secretary/Registrar meeting. · Provides Finance Committee any request for funds at budget time. · Provides lists of District 2 members as needed. · Cooperates with DCMs in placing new groups or making changes to a Sub-district and communicates the information to District 2. · Renames a Sub-district when necessary. Respectfully Submitted by Panel 69 Registrar Jimmy S.</p> <p><b>Background:</b> The Registrar can already cooperate with DCMs to make changes to the contents of a sub-district, but this motion would remove the Redistricting Committee and allow the Registrar to rename a Sub-district when necessary.</p>	Passed
282	2/7/2021	Book of Motions	<p>The District 2 Finance Committee would like to make a motion that the District 2 Treasurer delay the 2020 pie chart distribution of excess funds until the February 2021 District 2 meeting. Respectfully submitted by, Tom F. on behalf of the District 2 Finance Committee <b>Background:</b> District 2 current practice states that funds in excess of \$6000.00 in our operating account on December 31st be distributed to the pie chart of 40% GSO, 40% Area 15 and 20% Tri-County Central office.</p> <p>This delay is being requested because Area 15 is potentially responsible for \$28,000 to \$34,000 for the possible cancellation of January 2021 Assembly in Sarasota. Presently it is unknown exactly how much Area 15 will be held responsible for; therefore, District 2 pie chart distribution could be delayed to determine if the body thinks the 2020 distribution should be adjusted to assist Area 15 with this potential shortfall. A change to the 2020 pie chart distribution will require an additional motion.</p>	Withdrawn

In order to limit the number of tickets sold to the # of seats available, we need PayPal pro. In order to create a form so people would register with their first and last name and I'd have a report of people who have paid, we need PayPal pro. Additionally, by selling tickets online we are saving at least \$70 in printing tickets (cost of printing tickets in 2019). Additionally, the gratitude dinner has made it so the district will not have to cover the fees associated with selling tickets online. The customer pays \$1.20 fee to cover the fees associated with using PayPal. Gratitude Dinner committee only accounts for \$20/ticket in our budget, so \$1.20 per ticket will be for the district to cover fees associated with the use of PayPal to do online ticket sales. The PayPal Events Pro has many benefits including the ability to run reports. The reporting capability is another benefit if we will continue to use the district website to sell tickets electronically.	Passed

The Committee's purpose is to reach out and to directly connect with the still sick and suffering alcoholic and offer a message of hope, but this effort is not cost-free. The amount of money above \$6,000 in the Checking Account at the end of each calendar year will be shared with the body by January 31st in case there is a committee or other need for it. The membership will have until noon on March 15th to make a motion for use of the monies. Any remaining monies which have not been approved for spending by the May meeting, will then be distributed by the Treasurer, using the following percentages, 40% to the General Service Board, 40% to South Florida Area 15 and 20% to Tri- County Central Office. Submitted by Sue H. 346	5/4/2025	Book of Motions	<p>The District 2 Literature Committee is requesting an excess funds allocation of between \$200 and \$250 to replace the existing Literature Committee display and purchase business cards to direct newcomers to the free newcomer packet. Submitted by Alex Panel 75 Literature Chair</p> <p><b>The Motion Maker was not in attendance therefore this motion was not heard - Withdrawn</b></p> <p><b>Background:</b> The current Literature Committee display consists of an egregiously large trifold display that is unwieldy to transport and display. A vinyl banner would allow us to display more while being much easier to take to events. It would also help us encourage people to purchase their literature directly from GSO. The cards directing newcomers to the free packet have been appreciated in the past and will help to direct the newcomer to all of the literature at our disposal and introduce them to general service. This motion would allow the committee to maintain its normal budget for the current panel. Submitted by Alex Panel 75 Literature Chair</p>	Withdrawn

(eg: Current Practice has a monthly meeting where this can be discussed). Submitted by Scott B. Central Office Liaison</p> <p><b>Background:</b> This will proactively vet any impacts to existing current practice and emulate what we currently do today with the finance committee.</p> <p>Per current practice, Area 15 requests that any motion requiring non-budgeted funds be discussed with the Finance Committee by the motion maker in person, prior to the motion being presented at the South Florida Area Business Meeting (Motion 604 04/2007) to determine financial impact and availability of funds before being submitted. This motion extends that practice to include impacts to Current Practice. This should result in motions requiring fewer amendments and less clarification discussion thus saving valuable Area 15 business meeting time.</p>	Passed
