CONCEPT 3

Short Form III. To insure effective leadership, we should endow each element of A.A.—the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional “Right of Decision.”

Long Form III. As a traditional means of creating and maintaining a clearly defined working relation between the groups, the Conference, the A.A. General Service Board and its several service corporations, staffs, committees and executives, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of world service with a traditional “Right of Decision.”

Announcing: Now available for viewing!

THE TWELVE CONCEPTS FOR WORLD SERVICE VIDEO A lively animated tour through the principles of A.A. service, was released February 9, 2026. The animated video (in an “Americanized” English version) was adapted from an A.A. Great Britain version in adherence to an Advisory Action of the General Service Conference of the U.S. / Canada.

ABOUT THE VIDEO In this “animated short,” based on the illustrated pamphlet, we see our Twelve Concepts brought to life. We follow along as we see how wide participation in the “inverted triangle” of the A.A. Fellowship enables us all to work together to carry the message of hope and recovery. This lively tour through the Twelve Concepts offers a wonderful introduction to A.A. service, with roles and responsibilities illustrated in an easy-to-understand “whiteboard animation” style.

TO VIEW AND SHARE “The Twelve Concepts Video” (in English) may be viewed and shared with others on aa.org. French and Spanish versions will be available soon.
